

Police Departments & Plush Toys

Police departments carry teddy bears in their cruisers to give to children in distress when responding to calls. Having teddy bears in the trunks of their cars and handing to children in traumatic circumstances is part of building a better relationship with their communities.

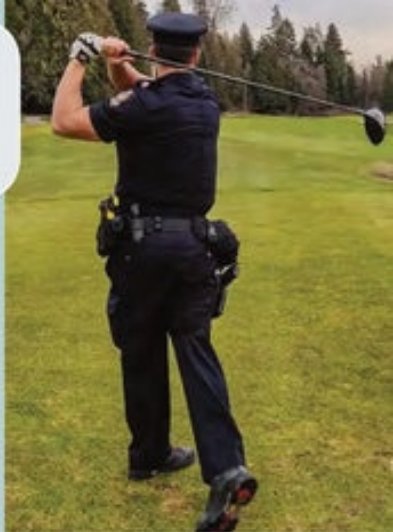

Custom plush German Shepherd police dogs will delight all ages and there's no better way to show the softer side of a police department than with a plush animal! Cute and friendly brand ambassadors that are ideal as fundraisers, given to children in traumatic situations and helping to strengthen community relations.

The perfect solution to bring comfort in a time of crisis!

Police Departments & Golf

Policemen & Policewomen love to play golf!
Charity golf tournaments are a part of their culture.

Custom

Many police forces hold annual golf tournaments. These serve as a way to thank those putting their lives on the line to protect families and communities, or are in memory of, and in honor of police officers who have lost their lives in the line of duty. They are also a way to raise much needed funds for charities supported by the police forces. Unique custom golf head covers are the perfect addition for a distinctive gift for participants.
