

Because it is fine, it really is.. the meme of a generation, this comic strip included Question Hound dog sipping coffee as the world erupted into flames around him. Question Hound was brought to life as a plush toy friend to hug whenever clarity about the state of the world becomes too much.

Plush toys resonate with fans of anime, comics and video games. Appeal to the elusive Teen & 20 Something crowd.

Brand mascots have long been instrumental in building strong company-consumer relationships and the Big Boy chain is best known for its iconic chubby boy mascot. A plush stuffie of the Big Boy mascot is a cute collectible, loved by fans of the restaurant.

To this day Elvis Presley has some of the world's most devoted fans who collect anything "Elvis". This adorable military bear features an Elvis Army inspired hat and jacket that includes custom Elvis military embroidery in addition to Elvis' signature on the left foot. A perfect gift for any Elvis fan.
