

Plush toys provide comfort for all ages

and are ideal for retirement or care homes...

Use as a *Thank You*
for residents and staff,
especially through COVID-19

- ★ Plush toys bring emotional comfort, which can improve residents quality of life.
- ★ Residents can cuddle and interact with a plush toy, which gives a sense of security.
- ★ Residents can nurture and care for a plush toy, which stimulates positive emotions.
- ★ Retirement communities repeatedly use plush as a gift for residents as they will keep and enjoy or share with their family or grandchildren.
